Update 66 Patch Notes

Racers, gear up for the latest thrilling update of Asphalt 8 as we introduce new features, vehicles, and events to enhance your racing experience. Here's what you can expect in Update 66:

1. New Features

- Enhanced On-boarding Experience: We're rolling out the second part of our improved on-boarding process, complete with more tutorials for newcomers, lower requirements for unlocking features, and a streamlined welcome process.
- TLE Hub Adjustments: The TLE hub has been updated for better readability, making your experience smoother and more enjoyable
- New upgrade recipes: some ranks and classes of vehicles now require not 500 upgrade parts, but only 380.
- When playing the classic MP season or Gauntlet mode, the player has the opportunity to receive tokens from daily box rewards.

2. New Content

Vehicles

Jump into the driver's seat with new and returning cars, including:
