

ASPHALT 8

AIRBORNE

Update 63 Patch Notes

Greetings Racers!

A decade of heart-pounding races, adrenaline-fueled moments, and unforgettable memories – we're thrilled to celebrate **10 incredible years** of Asphalt 8: Airborne with you! As we approach this milestone, we want to express our heartfelt gratitude for your unwavering support, passion, and dedication to the Asphalt community.

Update 63 is a tribute to the journey we've taken together. From the exhilarating races to the fierce competitions, you've made Asphalt 8 more than just a game – you've made it a thriving community of racers from around the world.

Thank you for the thrilling rides, the unforgettable victories, and the friendships that have formed on the virtual tracks. Here's to the next lap of excitement, innovation, and the joy of racing together.

Let's dive into the details of what this update brings!

1. Girls Power in Asphalt 8!

Get ready to expand your avatar collection like never before! Brace yourselves for a surge of excitement as we unveil a highly anticipated addition: a second alternative appearance for avatars. The female avatars have finally joined the ranks of customization options available for selection!

- We've added a wide range of female avatar versions of most existing avatars.
- Buying an avatar will now unlock both a male and female version for the player!
- Meet Dash Diva: Our new mascot with an incredible style and flashy personality! You will find out more about her on our brand-new Instagram page!

2. New Vehicles Speeding Your Way

Get set to conquer the track with these fresh additions to your garage:

- The wait is over, and the thrill is here: Introducing the **Dodge Dart X Edition**! Join us in a 10-day Special Event and conquer this beauty for yourself. Make sure not to miss a day!
- **Koenigsegg CC850**

- **Faraday Future FF 91 2.0 Futurist**
- **Brabham BT62**
- **Chevrolet Camaro ZL 50th Anniversary Edition**

3. Animated Decals for Stylish Customization

Elevate your presence on the tracks and ignite your vehicle's style with animated decals!

- Animated decals are captivating visual elements that enhance the aesthetic appeal of your vehicles, taking your customization options to the next level.
- Update 63 also brings an array of new stunning static decals.

4. Special Event Improvements

We've been hard at work listening to your feedback and making your Special Events experience even more seamless and engaging. In Update 63, we've introduced the following improvements:

- An enhanced notifications system that ensures notifications guide you all the way to the entry point of each Special Event.
- You can now track Special Event conditions both in the Action phase and the Pause Menu screen.
- The number of stars for unlocking events have been reduced from 110 to 10.
- The variety of conditions on the track have been increased.
- Various captivating animations have been added to celebrate your achievements within the stages of the Special Event HUB.
- We've polished the interactions between Special Events and other sections of the game, providing smoother redirections between rewards and the Special Events themselves.

5. Racing Pass and Car Hunt Adjustments

The Racing Pass and the Car Hunt are getting a boost in Update 63! Here's what's new:

- For Time-Limited Events and Special Events, Premium Racing Pass and Premium Plus Racing Pass holders will enjoy increased fuel limits upon purchase.
- Car Hunts will now contain 3 cars instead of 2.

6. 10th Anniversary Racing Pass and Treasure Rush

Celebrate Asphalt 8's 10th anniversary with style!

- 10th Anniversary RACING PASS with exclusive Dash Diva Avatar and the stunning McLaren 720S GT3X will be available starting from 8/15/2023.
- Get ready for the Treasure Rush events featuring the Koenigsegg CC850 in Ultimate class, starting from 8/24/2023, and the Koenigsegg Regera in S-class, starting from 9/21/2023.

7. Shop Adjustments 2.0

1. Relay Offers

- Introducing **Relay Offers**, a series of consecutive offers that you can purchase one after another. The Relay Offers have their dedicated tab in the shop.
- **Savings and Value:** With the "Relay Offers," you'll be able to unlock exclusive discounts, attractive bundles and gifts that are otherwise not available when purchasing items individually. This means you get more value for your money, allowing you to make the most out of your in-game purchases.
- **Flexibility and Customization:** The "Relay Offers" are designed to cater to different player preferences and playstyles. You can choose to complete the entire chain or opt for specific offers that align with your individual needs and preferences. This flexibility allows you to personalize your in-game experience.
- **Progression Boost:** Each offer in the chain is carefully curated to aid your progression in the game. Whether it's powerful items, rare resources, or special boosts, these offers are strategically designed to help you advance and achieve your in-game goals faster and more efficiently.
- **Note:** The Relay Offers will be tested at the start of the Update and as a result the offers will differ from player to player. We're still experimenting the optimization to deliver the best value and customer experience to all players.

2. Other Adjustments

- We've enhanced the UI visuals within the shop, creating a more streamlined and visually appealing shopping experience.
- "In stock" counters now appear consistently throughout the shop, unifying the shopping experience.
- Enjoy dynamic changes in 2D asset visuals based on the amount of currency you possess, making it more interactive and engaging.
- You can now preview the Decals and Avatars from the shop bundles before purchase.

8. Epilepsy Warning Screen for Windows

To ensure a safe and enjoyable experience for all players, an epilepsy warning screen has been added to the game on Windows platforms.

9. Vehicle Rebalances for Competitive Edge

We've optimized the performance of various vehicles in the World Series by making rank adjustments, enhancing top speeds, improving acceleration, and more:

- Fully upgraded Top Speed increased from 447.28 to 482.6 (km/h)
- Fully upgraded Nitro decreased from 19.72 to 10.45 (km/h)
- Improved fully upgraded acceleration
- Aligned drift radius with competitors
- Upgraded to class S (previously class A)

10. Other Notes and Bug Fixes

- Celebrating our 10th Anniversary, starting from 8/15/23, players will receive valuable daily prizes. Be sure to log in every day so you don't miss out!
- Branded weekly PvP TLEs which brings a more diverse and fun player experience and an opportunity to obtain rewards and purchase great cars for a good value each week.
- A random rare crash that occurred when players received Treasure Rush rewards has been fixed.
- The Start Race button in the Special Event's Garage now directly takes you to the Action Phase, eliminating an extra step in the Special Event's HUB.
- Special Events UI visuals have been refined for a smoother and more visually appealing experience.
- Timer notices for Special Events now feature additional color coding to indicate events nearing their end.
- The "Claim All" button on the Milestone Rewards popup is now hidden when no rewards are present.
- Several bugs, including redirects and unintended behavior, have been fixed to enhance overall gameplay stability.

Keep the engines roaring and the legacy of Asphalt 8 alive for many more years to come!
See you on the tracks! 🏎️

Safe racing,
The Asphalt 8 Team
